PARTNERSHIP WITH POLICE

I acknowledge receipt of yours Ref: RCF/COPCP/FA/001/08 dated 18/12/2008. In the spirit of Public Private Partnership against crime, we welcome your desire to work with the police especially in sensitization of the public against evils such as child sacrifice, conning of unsuspecting public and many others by rouge elements in the traditional healers fraternity. Be free to contact any DPC or RPC whenever community policing sensitization is required.

As far as supporting you to acquire physical address and resources is concerned, we are also constrained.

Thank you.
